2023 NEWS

UNIGAMES NATIONALS REVIEW GOLD COAST 2023

Gold Coast, was once again home to UniGames, seeing us row out at Wyaralong Dam. The struggle up the hill post-race and the scorching heat proved challenging. However, the speed coming down the course was clear. We have absolutely punched above our weight this year placing 5th overall, with the chick's placing 3rd.

The race of the week goes to the Mixed 8, which managed to beat the long-time rivals at UniMelb.

Ben Whitmee and Allie Hall, Club Presidents, are absolutely thrilled with MURC performance this season. We are excited to take on the next season, and aim to end up nearer to the podium.

MONASH WOMEN BRINGING HOME SOME SILVERWARE

The Sage women absolutely showed up in the Gold Coast, placing 3rd overall. Both Women's VIII committed to the charge down the course, with one crew coming 3rd and the other 4th.

The chicks double and coxed fours also had an absolute cracker of a performance, all 3 crews making A finals.

Not to be overshadowed by the chicks, the Sage boys VIII achieved some serious speed, getting down the course in 6:22 in the A final. With smaller boats seeing some decent results, launching two fours, a double and a lightweight scull.

MONASH ALUMNI

In September we hosted Send Off at our new home, Mercantile Rowing Club. This was our first event in conjunction with MURC alumni since pre-Covid. Old crew mates caught up and new connections were made with past and current members. We look forward to having many more events and expanding our alumni network in the future.

Some of Monash's coxes steered outside of their comfort zone to get behind an oar for the good of the sage. Led by rower Piyumi, they managed to make it down the course at rate 20 in magnificent style. With no other competitors willing to take them on, the dominant coxless but strongly coxed quad took home the trophy in a historic win for Monash rowing.

LOVE IS IN THE AIR: DATE NIGHT RETURNS

Love is in the air as we brought back the long-standing tradition Date Night for another year running. As done previously couples are pre-determined and encourage everyone to get to know new people. Hopefully some of them stick!

This year we treated ourselves with 3-course meal and some incredible squad bonding. Post dinner activities were full of belly laughter with couples' yoga proving incredibly challenging.
